# Eurostar Meal Bags and Goody Bags

# Welcome to the range of catering services for groups on Eurostar

## CONDITIONS

**IMPORTANT:** group services are available between Paris Gare du Nord and Brussels Midi stations (and between Brussels Midi and Paris Gare du Nord).

If your group is boarding in Amsterdam or Cologne stations, we will be able to offer a catering service which starts from Brussels Midi.

Service is available for the whole length of the journey if you charter the entire train and a personalized quote will then be sent to you.

## CREW LEVEL GUIDELINES

To ensure your group receives the correct level of service from our trained crew the following guidelines will be applied:

### 10-25 PASSENGERS

Meal Bags with 'Salad Deal' or Goody Bags with 'Breakfast Deal' and 'Baguette Deal' can be collected from our Bar Buffet on board, Eurostar Café, by the group leader. The bags will have to be carried by hand (no trolley or other equipment is available) and so it may be necessary to make several trips.

### FROM 26 PASSENGERS

A crew member will deliver the meal and Goody Bags and cold drinks to the group's seats.

One crew member is required for each coach (39 passengers)

- from 26 to 39 passengers: one crew member
- from 40 to 78 passengers: two crew members
- 79 to 117 passengers: three crew members.

If your group is larger than 117 people, we will need to confirm whether it is possible to offer a catering service.

## YOUR FOOD SELECTION

**Please limit your selection to two different menus.**

You will see in the following pages that there are many different possible combinations of drinks and snacks for your Goody Bags and Meal Bags. Since we can't put names on bags, and to make the distribution simpler, we would ask you to choose only two different combinations of food, snacks and drinks.

We recommend a selection with only vegetarian recipes and another menu with meat.

A 10% supplement applies to all catering options and is already included in the displayed prices.

The net cost of each crew member is the same, irrespective of the point of departure:

PARIS ->AMSTERDAM:  
service between Paris and Brussels:  
€651.56 for 1 crew member

AMSTERDAM ->PARIS:

€651.56 for 1 crew member

PARIS ->COLOGNE:

All prices in this catalogue exclude VAT.  
VAT will be invoiced at the rates of the country the order originates from.

## WHEN TO ORDER

The order must be placed at least 14 working days before the departure of the train.

For groups of more than 78 people, please submit your request 45 days before departure and confirm your order 30 days prior to the travel date.

## CANCELLATION or ORDER MODIFICATION

You can modify your order and the number of passengers up to 12 days before departure. After that date, no changes will be possible.

Any cancellation made between 12 and 1 working days before the departure date will be charged 50% of the invoice amount.

A cancellation made less than 1 working day before departure will be charged 100% of the invoice amount.

We will only be able to provide a service to the coach and seat numbers that you have given us at the time of booking. If your group moves to another coach or different seats, we cannot guarantee the service, and no refund or compensation will be possible.
