Welcome to the range of catering services for groups on Eurostar

Crew level guidelines

To ensure your group receives the correct level of service from our trained crew the following guidelines will be applied.

10-30 passengers

Meal bags / goody bags and cold drinks can be collected from our Bar Buffet on board, Eurostar Café, by the group leader. The bags will have to be carried by hand (no trolley or other equipment is available) and so it may be necessary to make several trips. A personalised service from dedicated crew is also available as an option.

31+ passengers (all standard group services)

A crew member will deliver the meal bags / goody bags and cold drinks to the group's seats.

A minimum of 2 crew members will be required. For the health and safety of the passengers and crew, the delivery of meal bags to the seats must be carried out by 2 crew members per trolley.

For any additional coaches requiring a meal bag / goody bag service one additional crew member per coach will be required.

For example:

1 coach – 31 to 55 passengers (the maximum capacity): 2 crew members

2 coaches – 56 to 110 passengers: 3 crew members

If your group is larger than 110 people, we will need to confirm whether it is possible to offer a catering service.

Your food selection

Please limit your selection to two different menus.

You will see in the following pages that there are many different possible combinations of drinks and snacks for your Goody Bags and Meal Bags. Since we can't put names on bags, and to make the distribution simpler, we would ask you to choose only two different combinations of food, snacks and drinks.

We recommend that you select one meat and one vegetarian option.

A 10% supplement applies to all catering options and is already included in the prices displayed.

The cost of each crew member will depend on the point of departure:

- From London:	£371 + £74 VAT = £445 445€ + 89€ TVA = 534€
- From Paris:	£489 + £98 VAT = £586 586€ + 117€ TVA = 704€
- From Brussels:	£346 + £73 VAT = £419 416€ + 87€ TVA = 503€
- From Amsterdam:	£299 + £63 VAT = £362 359€ + 75€ TVA = 434€

When to order

The order must be placed at least 14 working days before the departure of the train.

For groups of more than 56 people, please submit your request 45 days before departure and confirm your order 30 days prior to the travel date.

Cancelling or modifying your order

You can modify your order and the number of passengers up to 12 days before departure. After that date, no changes will be possible.

Any cancellation made between 12 and 1 working days before the departure date will be charged 50% of the invoice amount.

A cancellation made less than 1 working day before departure will be charged 100% of the invoice amount.

We will only be able to provide a service to the coach and seat numbers that you have given us at the time of booking. If your group moves to another coach or different seats, we cannot guarantee the service, and no refund or compensation will be possible.

Note on allergens

The fresh food items are prepared in an environment where all 14 EU allergens are present.
